STM may refuse returned shipments not approved by STM or not properly identified. The request for return approval must include part number, order number, and full identification of product(s) to be returned. Proper handling procedures must be used in the packing and shipping of all returns. Products must be returned in the same or equivalent container in which they were shipped with the RMA number clearly visible on the package. Buyer retains title and assumes all risk of loss relating to products returned for repair or replacement until STM completes repair or identifies products as replacements.

Clutches will have to be inspected by a tech at STM to verify if repairs will be covered under warranty. We cannot make an accurate assessment through phone or email. Please review the Terms and Conditions tab on our website to see warranty information. If the clutch is not covered under warranty it is the customer's responsibility to pay for repairs and/or the return cost of shipping. If you choose not to have the repair done, you would need to pay the diagnostic/tech fee and return shipping.

The customer must provide a contact phone number and email in the box. **Items received will be held for 45 days, at that point if your items are not claimed, they will be discarded.** We will make every effort we can to contact you, but we do not have the space to store items long term. It is your responsibility to check on items that you have sent in.

**There is no warranty on rebuilds.**

***By sending in your items, you are agreeing to the above terms. Please read very carefully.***

---

***Follow below steps for returning your clutch for rebuild.  
Anything sent back to STM missing any of the below information will not be accepted.***

- 1) Call STM at 248-673-8408 or email at info@stmpowersports to get an RMA number.
- 2) Package item carefully to avoid damage during shipping.
- 3) Fill out Rebuild Form and place in box along with a copy of your receipt. Make Sure RMA number is clearly visible on the **OUTSIDE OF THE BOX.**
- 4) Ship package to address below and make sure to insure your shipment for the full replacement value of the items in case of a lost or damaged package during the shipping process.
